This Client Agreement is between you and Eightcap and contains the terms and conditions that govern all transactions in "Contracts for Difference" and other margin trading products (collectively referred to as CFDs), entered between you and Eightcap.

A CFD is an over-the-counter derivative product comprising an agreement under which one party is entitled to be paid an amount of money (profit) or has to pay an amount of money (loss), resulting from movements in the price or value of an Underlying Asset (without actually owning that Underlying Asset).

This Client Agreement takes effect when you agree to its terms and conditions as part of Eightcap's Account Application process and will remain in force unless terminated under the terms set out below.

CFDs involve a high level of risk and can result in significant losses. CFDs are not suitable for everyone. A full explanation of the risks associated with CFD trading is set out in the Eightcap Product Disclosure Statement and the Risk Disclosure Notice. - 3.2. Eightcap may apply the limits referred to in 3.1 above and/or limits to your usage of the services we provide, for various reasons. This includes but is not limited to: if usage of the Trading Platform is not considered by us as appropriate, lawful or fair, if it affects (or may affect) other clients' use of the Trading Platform, or if it is significantly different from the usage that we would expect from you.
- 3.3. If Eightcap decides to impose a limit on your access to the Trading Platform, we may, in our reasonable discretion, suspend, disable or terminate your Trading Platform access. We will not do so without giving you notice in accordance with clause 20 (except in limited circumstances where it is not reasonable to give you notice) and will only do so if it is reasonable in the circumstances.
- 3.4. To ensure that you are using the Trading Platform in accordance with the fair usage principles outlined in clause 3.2 above, Eightcap will monitor your order-to-trade ratio. Each order, cancellation, or modification message entered by a client is treated as an 'Order' for the purposes of calculating this ratio.
- 3.5. Where transaction ratios are exceeded, Eightcap will investigate the causes on a case-by-case basis and will contact you before taking any action (except in exceptional circumstances, such as in extreme adverse market conditions).

5. SUB ACCOUNTS

- 5.1. If you operate Sub Accounts and opposite Positions are opened on different Sub Accounts, the Positions will not cancel each other out. You acknowledge that unless each Position is closed manually, all open Positions may be rolled over on a continuous basis and thereby continue to pay or receive the applicable Swap Charge on each Position.
- 5.2. Keeping opposite Positions open on Sub Accounts (including opposite Positions within the same trading account) will result in both Positions being continuously rolled over. Each Position is therefore subject to applicable financing costs (Referred to as a Swap Charge or Swap Credit in the Trading Platform) until each Position is manually closed.
- 5.3. If you have opened more than one Trading Account, Margin deposited on one Trading Account does not provide Margin coverage on the other Trading Account(s). You may therefore receive Margin Calls and stop-outs on one account despite having additional Margin available on other Sub Accounts.

acknowledge, and will not hold us liable for, any losses incurred as a result of us exercising our discretion in accordance with this provision. Where Negative Balance Protection applies, we will utilise funds in your Sub Accounts before applying a credit in a Trading Account that is negative.

The terms of any order or communication electronically transmitted to you may be subject to change or correction. Although the Trading Platform might confirm that a Contract is executed immediately when you transmit instructions via the Trading Platform, the confirmation forwarded by Eightcap or made available on the Trading Platform constitutes Eightcap's confirmation of a Contract. Any instruction sent electronically will only be deemed to have been received and will only then constitute a valid instruction and/or binding contract between Eightcap and you when such instruction has been recorded as executed by Eightcap and confirmed by Eightcap to you, including through a deal confirmation and/or account statement.
- 10.10. You acknowledge and warrant that you have received a password granting you access to the Trading Platform; are the sole owner of the password provided; and accept full responsibility for any transaction that may occur on an account opened, held, or accessed through the use of the password provided to you by Eightcap, even if such use may be unauthorised or wrongful. You agree to accept full responsibility for the use of the Trading Platform, for any orders transmitted through your Trading Account and for all communications and the accuracy of all information sent via the Trading Platform using your name, password, or any other personal identification means implemented to identify you.
- 10.11. You warrant and agree that any person who is in possession of any password is authorised by you, and you acknowledge that they will be responsible for any actions on your Trading Account associated with the use of your password. You agree to notify Eightcap immediately should you become aware of any unauthorised use, loss or theft of your username, password or account numbers; or inaccurate information with respect to the content of statements, including cash balances, open Positions, or transaction history.

11. ENTERING INTO A CFD TRANSACTION

- 11.1. You may use the Trading Platform to view market prices or ask for a quote over the telephone. You acknowledge that a price quotation does not constitute an offer to enter a new or close an existing CFD.
- 11.2. Upon receiving the quote from Eightcap, you may request to enter into a CFD transaction by placing an Order with Eightcap.
- 11.3. Eightcap is in no way obliged to accept your request to enter into a CFD transaction and, without limitation, is not obliged to accept your request to enter into a CFD transaction if you have exceeded or would exceed a predetermined limit imposed on you under this Client Agreement; or until Eightcap has received from you the initial Margin where required, in the form of Cleared Funds. The Trading Platform will advise you by rejecting the Order, should Eightcap decide not to accept your request to enter into a CFD transaction.
- 11.4. The initial Margin, if not already received from you, will be payable to Eightcap upon acceptance by Eightcap of your offer to enter into the CFD transaction.
- 11.5. Should Eightcap accept your request to enter into a CFD transaction, Eightcap will issue to you an electronic confirmation shortly after the CFD transaction has been entered into. This confirmation will be in the form of a deal confirmation via the Eightcap platform. Failure by Eightcap to issue a deal confirmation will not prejudice or affect the relevant CFD transaction. Eightcap will not bear any liability whatsoever resulting from the failure to issue a deal confirmation. It is your responsibility to immediately notify Eightcap if you do not receive a deal confirmation.
- 11.6. You agree to examine the terms of each deal confirmation immediately upon receipt and you agree that the contents of the deal confirmation, in the absence of Manifest Error, will be conclusive evidence of the executed deal, unless you notify Eightcap of any disputed detail in the deal confirmation received by you. Upon receipt of the disputed detail, Eightcap will investigate the dispute and, with your co-operation, will endeavour to resolve the dispute in accordance with its Complaints Management Policy. Notwithstanding any such dispute, you will be required to continue to satisfy any obligation to pay Margin calls made by Eightcap in respect of the transaction as if the deal confirmation was correct and its details were not the subject of dispute.

- 11.7. In its sole discretion, Eightcap reserves the right to limit the value of CFD transactions you may have outstanding under this Client Agreement.
- 11.8. If you provide Eightcap with standing instructions to enter into a CFD transaction when a particular price level is reached, you acknowledge that the price at which the CFD transaction is entered into may not be the same as the price requested by you, as Eightcap may elect not to enter into the CFD transaction until it has satisfied itself that it can hedge its exposure in the Underlying Market. You remain solely responsible for monitoring any pending orders.
- 11.9. Prior to entering into a CFD transaction, you must ensure that there are enough funds in the Trading Account to cover the initial Margin.
- 11.10. It is your responsibility to be aware of our Margin requirements and you agree to pay funds into your Trading Account to meet those requirements, at all times while your Position is open. If the money in your Trading Account is not enough to cover our Margin requirements, you must close your Position and/or transfer the necessary additional funds to your account.
- 11.11. It is your sole responsibility to ensure that you are aware of and meet any Margin Calls. To manage your open Positions and check for any Margin Calls, you are required to log onto the Trading Platform. You are responsible for monitoring and managing your Trading Account.

12. EXECUTION OF ORDERS

- 12.1. Eightcap undertakes, and you acknowledge, that in respect of dealings in the CFDs and in compliance with any applicable laws and regulatory requirements, Eightcap will execute all dealings in the sequence in which they are received and recorded, unless it would be fair and equitable to allocate such contracts on a different basis.
- 12.2. Eightcap will provide you with daily statements in accordance with applicable laws and regulation.
- 12.3. It is your sole responsibility to monitor and manage your open Positions and exposures, and to carefully check all transaction confirmations and statement documentation (whether received or accessed electronically or otherwise) and to bring any errors or omissions to the attention of Eightcap within 5 days of the date you receive such a statement. In the absence of such written objection within the period set out in this clause, the daily statements will be deemed correct in all respects.
- 12.4. Orders may be placed as Market Orders to buy or sell a CFD as soon as possible at the price obtainable in the market, or limit and stop orders to trade when the price reaches a predefined level, as applicable to the various CFDs offered. Limit orders to buy and stop orders to sell must be placed below the current market price, and limit orders to sell and stop orders to buy must be placed above the current market price. If the bid price for sell orders or

ask price for buy orders is reached, the order will be filled as soon as possible at the price obtainable in the market. Limit and stop orders are thus not guaranteed to be executable at the level or amount specified by you, unless explicitly stated otherwise by Eightcap.

- 12.5. Eightcap may, in its sole discretion, execute a stop loss order in relation to any contract where there are reasonable grounds to believe that subsequent price movements may be adverse to you. Eightcap will not be liable to you for any failure to exercise this discretion. A stop loss order is triggered when you have a Sell (Short) Position and the Contract is traded at or above the stop loss price; or when you have a Buy (Long) Position and the CFD is traded at or below the stop loss price. Once a stop loss order is triggered or executed, it becomes a Market Order and Eightcap will use its best endeavours to execute the Market Order.
- 12.6. The acceptance of a stop loss order is not a guarantee or representation by Eightcap that the stop loss order can be executed at the stop loss price.
- 12.7. Eightcap may, in its discretion, aggregate your orders with its own orders or orders of associates and/or other clients. In addition, Eightcap may split your orders. Orders will generally be aggregated or split where Eightcap reasonably believes it to be in your overall best interests, but you acknowledge that on some occasions the consequence of the aggregation or splitting may result in a less favourable price than your order having been executed separately.

13. DEPOSITS AND MARGIN

13.1. You agree and acknowledge to us that:

- a. Eightcap requires you to deposit Cleared Funds. The amount required by Eightcap and the time at which it is required will be at the absolute discretion of Eightcap;
- b. Eightcap reserves the right to, whenever it deems appropriate, raise or lower Margin requirements, which may apply to existing Positions as well as to new Positions. You will comply with and meet all such calls in accordance with this Client Agreement by depositing in Cleared Funds the sum requested within the time specified by Eightcap. Eightcap may determine the amount and time in its absolute discretion. Should Eightcap require that you deposit additional funds because of a Margin Call, you must pay the amount called by Eightcap immediately upon being given notice by Eightcap. In all respects, time will be of the essence for all your payment obligations;
- c. Should Your Trading Account be on Margin Call, you acknowledge and agree that Eightcap may refuse any request by you to enter into any further Positions until Eightcap has confirmed the receipt of the Margin Call amount in the form of Cleared Funds;
- d. Any exercise by Eightcap of any power or right under

this clause, including, without limitation, the calling of Margin, will be binding on you;

- e. Margin Calls will be notified via the Trading Platform, and you are required to log in to the system regularly when you have open Positions to ensure you receive notification of any such Margin Calls. It is your sole responsibility to monitor and manage your open Positions and exposures, and ensure that Margin Calls are met as required;
- f. Where you have not checked the Trading Platform for Margin Call notifications, and so have not met them in a timely manner, all margined Positions will be closed out by Eightcap, without further reference to you;
- g. Liability for a deposit or Margin arises at the time it is executed, irrespective of the time at which any call is made, and such liability is not limited to the amount, if any, deposited with Eightcap;
- h. A Margin Call will not be considered to have been met unless and until Cleared Funds have been received by Eightcap in the nominated account (generally around 10AM on the following Business Day, but may vary according to the funding method used);
- i. Should you fail to meet a Margin Call, Eightcap may, without prejudice to any other rights or powers under this Client Agreement, and in its absolute discretion, close out, without notice, any or all of your over-the-counter CFDs or refuse any request by you to enter into any further contracts;
- j. No credit will be extended directly or indirectly to you by Eightcap, unless otherwise agreed in writing;
- k. Subject to you meeting all Margin obligations, Eightcap may permit you to withdraw from its account any excess Net Free Equity; and
- l. Margin deposited by you will not fall due for repayment by Eightcap until your obligations under this Client Agreement and under, or in respect of, any other Trading Account between Eightcap and you are satisfied in full. Until this time, Margin will not constitute a debt due from Eightcap to you nor will you have any right to receive payment of these funds.

- d. An order may be rejected, partially executed, and/or executed based on a volume weighted average price.

In certain circumstances, the price we set may be different from the current market price of the Underlying Asset and/or another issuer of CFDs.

In particular:

- a. Where Out of Hours Trading is available, and we set the prices at which we are prepared to deal with you; and/or
- b. If we cannot determine a price because trading in the Underlying Market/Asset is limited, suspended, and/or a price cannot be determined by our Liquidity provider(s), then the price will be the price:
 - immediately preceding such limitation; and/or
 - determined by us in our sole discretion, acting reasonably, but having regard to the prevailing market conditions affecting trading.
- c. To close out all or part of your open Position, limit the total value of the Position you can open, refuse an order, or terminate the agreement between us if certain circumstances arise, including where we:
 - Decide at our sole discretion, provided we give you prior written notice of such decision; or
 - Consider it reasonably necessary for the protection of our rights under the Client Agreement. You do not have the power to direct us in the exercise of our discretions.

14.2. Financing Costs

You agree and acknowledge to us that:

- a. Where a CFD contract is held at the close of the Trading Day, a charge or credit is made to each Position. These charges or credits are referred to as 'Swaps' in the Trading Platform but may sometimes be referred to as interest, financing, rollover charges or credits. The PDS provides further information about Swaps;
- b. Swaps are charged or credited in accordance with the type of the CFD traded, and if you are buying or selling that CFD;
- c. Swaps are charged or credited to each individual trading Position, even if you have opposing Positions in the same CFD on the same Trading Account;
- d. Multiple (3-day) Swap Charges or Credits apply on all CFDs (other than CFD futures) to account for deferred settlement of your Positions. The day in which a 3-day Swap applies is set out on the Trading Platform or provided by an Eightcap representative; and
- e. Swap Charges and Credits also occur on public holidays, including when the Underlying Asset ceases to be quoted, or suspended from quotation, or subject to a

14. CFDs

14.1. Pricing

You agree and acknowledge to us that:

- a. Eightcap sets the price of the CFD that you use to open and close a Position;
- b. Prices provided on the Trading Platform are subject to Liquidity;
- c. Eightcap may contribute its own (internal) Liquidity when setting a price which may alter the spread between the bid and ask price, and/or the Liquidity available at each price; and

trading halt.

14.3. Closing a CFD Contract

You agree and acknowledge to us that:

- a. At any time, you may give Eightcap an instruction (by telephone or on the Trading Platform) of your intention to close a Position (whether in whole or in part) by specifying the Position and the proportion of the Position that you wish to close;
- b. Upon receipt of a Closing Notice, Eightcap will use reasonable endeavours to provide a quote for the Closing Price and notify you of that quote. It is your obligation to notify Eightcap as soon as possible as to whether you are willing to accept the Closing Price. The Closing Price is not guaranteed as it is subject to market conditions and is therefore subject to change at short notice. Should you accept the Closing Price, the Position, or relevant portion of the Position, will be closed on the Closing Date at the Closing Price;
- c. If we cannot determine a price because trading in the Underlying Market is limited, suspended, and/or a price cannot be determined by our Liquidity provider(s), then the Closing Price may, at its discretion, be determined by Eightcap who may have regard to any factors it considers appropriate, including, for example, the last traded price of the Underlying Market;
- d. Without limiting Eightcap's discretion, if any Position ceases to be quoted on a Relevant Exchange, or is suspended from quotation, or subject to a trading halt for 5 or more consecutive Business Days, or is removed from the Trading Platform, Eightcap may, in its sole discretion, elect to terminate the relevant Position by providing you with at least ten (10) Business Days' notice to you;
- e. It may not be possible to close out a Position if there is a suspension of trading, or a trading halt, in respect of the Underlying Market. In such a circumstance, Eightcap may decide, in its sole discretion, not to close a Position;
- f. Eightcap will close a Position(s) if your Equity only covers 50% of the Total Margin Requirement for your open Positions. Your worst offending Position (i.e. the contract with the largest loss) will be automatically closed at the first price available and as determined by the CFD price, liquidity, and other factors that may impact on execution times;
- g. Without limiting the above, if at any time trading on a Relevant Exchange is suspended or halted in any Underlying Market, Eightcap will, in determining the closing value of a Position and at its discretion, have regard to the last traded price before the time of suspension or halt; and
- h. All determinations and calculations made by Eightcap pursuant to this Client Agreement will be binding on you in the absence of Manifest Error.

14.4. Settlement of Positions

You agree and acknowledge that payments to be made to you with respect to any CFD Contract will be made as follows:

- a. When a Position is closed and settlement occurs, a CFD Contract is closed out in accordance with this Client Agreement:
 - Eightcap will credit to your Trading Account any amount payable by Eightcap to you; or
 - Eightcap will debit your Trading Account with any amount payable by you to Eightcap.
- b. Eightcap reserves the right to offset any money owed to you against any money owed by you under this Client Agreement or any other agreement.

14.5. Trade Strategies and Arbitrage Practices

14.5.1. You acknowledge and warrant to Eightcap that:

- a. you will not engage an electronic device, software, algorithm, or any other trading strategy, arbitrage practice on, or otherwise use, the online trading facility which:
 - manipulates, takes advantage of a delay or creates an unfair advantage in the way Eightcap constructs, provides, conveys or executes order prices; or
 - contravenes any law, including any law against 'insider' dealing or 'market manipulation' within the meaning of Division 3 of the Corporations Act.
- b. you repeat the warranty under clause 14.5.1a for each order transaction entered into, in accordance with this Agreement; and
- c. you will be deemed to breach the client warranty under clause 14.5.1(a) if any executed, or outstanding order(s), as applicable, do not subject you to any downside market risk.

14.5.2. Trading strategies which are used to return profits by taking advantage of internet latencies, delayed price feeds or through high volumes of transactions targeting tick fluctuations (rather than price movements) where trade position are opened and closed very quickly, are trading strategies that are not accepted by Eightcap as they do not expose you to any downside market risk and will be in breach of clause 14.5.1(a) above.

14.5.3. If you are in breach, or Eightcap reasonably suspects you are in breach, of clauses 14.5.1 and/or 14.5.2, Eightcap shall, in its sole discretion and without prior notice to you:

- a. withhold any funds suspected to have been derived from the breach, or suspected breach;
- b. close an executed order(s) that you may have open at the time;
- c. cancel any transaction order/offer you may have outstanding at the time;
- d. refuse to accept transaction order(s).

14.5.4. If you are in breach, or Eightcap reasonably suspects you are in breach, of clauses 14.5.1 and/or 14.5.2, Eightcap

shall, in its sole discretion and without prior notice to you:

- a. enforce all executed transaction/trade(s) against you that have incurred a loss;
- b. treat all executed transactions as void from the outset if executed order(s) had incurred a profit;
- c. terminate this Agreement Account as well as your access to the online trading platform.

14.6. Adjustments

If it is suspected that you have attempted to manipulate our prices, our Trading Platform, or have committed any general exploitation of pricing and/or technology, (including the use of Price Latency Arbitrage), we may, in our sole discretion and without notice to you:

- a. Enforce the Position against you if it is a Position which results in you owing money to us;
- b. Treat all your Positions as void from the outset if they are trades which result in us owing money to you, unless you produce conclusive evidence within 7 days of us giving you notice under this clause that you have not committed any breach of warranty, misrepresentation, or breach of undertaking under the Contracts;
- c. Withhold any funds suspected to have been derived from any such activities;
- d. Make any resultant corrections or adjustments to your Trading Account;
- e. Close your Trading Account;
- f. Take any other action that we consider appropriate.

14.7. Share CFDs and Interest (Swap)

You agree and acknowledge that while your transaction remains open, Eightcap will value open transactions daily and calculate the amount of Swap based on the notional value of your Position. A different Swap rate will ordinarily apply to long and short positions.

As an illustration, the amount of Swap will be calculated and will accrue daily as follows:

- a. If you sell, interest will be either credited or debited to your Trading Account based on the reference interest rate plus mark-up; and
- b. If you buy, interest will be debited from your Trading Account.

14.8. Share CFDs and Underlying Assets

You agree and acknowledge:

- a. That share CFDs do not entitle you to any voting rights or other benefits such as participation in shareholder purchase plans or discounts, attend meetings or receive the issuer's reports.
- b. That the Underlying Asset of share CFDs that are subject to corporate actions may be cancelled.

- c. That you could seek confirmation from Eightcap of any specific details that might affect the Underlying Asset of share CFDs.

14.9. Share CFDs and Corporate Actions

You agree and acknowledge:

- a. If there is a corporate action that has a dilutive or concentrative effect on the Underlying Asset of share CFDs, Eightcap will ordinarily make an adjustment to the terms of the share CFD that places the share CFD in substantially the same economic position it would have been in had the corporate action not occurred, so as to preserve the economic equivalent of the rights and obligations of the parties in relation to this transaction. ;
- b. An adjustment will ordinarily be made pursuant to the below corporate action(s) or similar on the Underlying Asset of share CFDs;
- c. Dividend declaration: Where an Underlying Asset in respect of which a dividend is paid, a dividend adjustment will be calculated in respect of open Positions held on the ex-dividend day for the relevant Underlying Asset. As an illustration, in a corporate action involving dividend declaration, the same are reflected as a cash credit/debit which means in Trading Accounts holding long positions, a dividend adjustment is credited to the account and in Trading Accounts holding short positions, a dividend adjustment is debited from your Trading Account;
- d. Eightcap has a discretion to determine the extent of the adjustment in the event of the below Corporation Action(s) or similar on the Underlying Asset of share CFDs;
- e. Stock splits or similar e.g., a subdivision, consolidation, redenomination or reclassification of shares, a share buy-back or cancellation, or a free distribution of shares to existing shareholders by way of a bonus, capitalisation or similar issue;
- f. Bonus shares or similar e.g., a distribution to existing holders of the right to payment of dividends and/or proceeds of liquidation of the issuer equally proportionately with such payments to holders of the Underlying Assets viz., shares, securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing market price per share as determined by us;
- g. Eightcap may also elect to close a Share CFD prior to the closing date in the case of a takeover offer or similar;
- h. If the Underlying Assets are the subject of a takeover offer, scheme of arrangement or other mechanism for change in control, it is possible that Eightcap may suspend the transaction and the Share CFD may become untradeable until the closing date of the takeover offer, at which point the transaction will be closed in accordance with the terms of the takeover offer; and

- i. Eightcap will be entitled to cancel or adjust the size and/or value and/or number of any transaction(s) (and/or the level of any Order) to reflect the takeover offer, and that any such cancellation or amendment will be conclusive and binding upon you.
- j. The US Internal Revenue Service (IRS) mandate that holders of US equity derivatives (which include US Share CFDs) are taxed in accordance with section 871(m) of the US Tax Code (Internal Revenue Code). This means we (or our Liquidity Provider) will need to withhold a tax for dividends that are paid on US Share CFDs.

15. COMMISSIONS, FEES, COSTS, EXPENSES AND CHARGES

15.1. You agree to pay:

- a. All fees and costs incurred by you associated with opening the Trading Account and all taxes and expenses incurred by you in connection with the services described in this Client Agreement;
- b. Commission (applicable to Eightcap Raw account type) upon the execution of any requested CFD transaction at such rate that is set by Eightcap, as well as an amount equal to any other fee charged or levied on Eightcap, or other expense incurred by Eightcap, arising from any action taken pursuant to this Client Agreement;
- c. If applicable, all duties and taxes (including GST) payable on or pursuant to this Client Agreement;
- d. All amounts incurred by Eightcap as a result of your default under the terms of this Client Agreement, including, without limitation, all reasonable legal costs on a solicitor/client basis;
- e. Interest, in respect of any unpaid amount due under this Client Agreement, at a rate of three (3) per cent per annum above LIBOR (at a minimum of 10% per annum), unless Negative Balance Protection applies. Such interest will accrue and be calculated daily from the date payment was due until the date you pay in full and will be compounded monthly; and
- f. Interest is calculated based on the negative Net Free Equity on each Trading account, unless specifically agreed otherwise. Interest will be charged on the full negative Net Free Equity on any Trading Account, regardless of whether you hold other Trading Accounts which have positive Net Free Equity. Please note that this means that if you hold multiple Trading Accounts, you may incur interest charges although the aggregate Net Free Equity Position of all your Trading Accounts may be positive.

15.2. You authorise Eightcap to appropriate, transfer, credit, apply, or pay monies that may be received by Eightcap from you in payment of any amounts which may be outstanding by you to Eightcap.

15.3. Where amounts are payable by one party to the other,

netting principles will apply to enable the party owing the larger amount to pay the excess only to the other party. Amounts may be converted into the same currency in accordance with this Client Agreement.

- 15.4. Eightcap may, in its sole discretion, reduce or waive the minimum deposit amount, the minimum account balance or interest rates on debit balances, fees (including royalties or fees for third party services) or transaction charges, for individual clients or for groups of clients, for any length of time, with or without conditions, without notice.
- 15.5. You acknowledge that should you effect a CFD transaction with Eightcap, you must pay all transaction charges, fees, Margins, settlements, interest and any other amounts due under this Client Agreement on demand by Eightcap in Cleared Funds or otherwise as required in accordance with the terms of this Client Agreement.
- 15.6. Payments by you to Eightcap in accordance with this Client Agreement must be made without any offset, counter claim or condition and without any deduction or withholding for any tax or any other reason unless the deduction or withholding is required by applicable law. Should you be required to make any form of deduction in respect of tax from any payment to be made, or if Eightcap is required to pay any tax in respect of any payment made in relation to this Client Agreement at your request, you agree to keep Eightcap indemnified against that tax and agree to pay to Eightcap any additional amounts required to ensure Eightcap receives the full net amount that is equal to the amount Eightcap would have received had a deduction, withholding, or payment of tax not been made.
- 15.7. You agree that Eightcap may at any time share transaction fees and charges with any other persons without being required to disclose the sharing of such fees and charges to you unless such disclosure is required by law.

16. DEFAULT

16.1. You acknowledge and agree that where one of the following events occurs, Eightcap may take any such action provided in Clause 20 below:

- a. you fail to meet a call for a deposit or Margin or make any other payment when due under this Client Agreement;
- b. you are not contactable by Eightcap (and have not made alternative arrangements) within the time specified by Eightcap for Eightcap to obtain instructions (where required);

- f. you fail in any respect fully and promptly to comply with any obligations to Eightcap under this Client Agreement or otherwise, or if any of the representations or information supplied by you are or become inaccurate or misleading in any material respect;
- g. any guarantee, indemnity, or security for your obligations is withdrawn or becomes defective, insufficient, or unenforceable in whole or in part;
- h. It becomes, or may become, unlawful for Eightcap to maintain or give effect to all or any of the obligations under this Client Agreement or otherwise to carry on its business, or if Eightcap or you are requested not to perform or to close out a transaction (or any part thereof) by any governmental or regulatory authority, whether or not that request is legally binding; or
- i. Eightcap considers it necessary to do so for its own protection.

16.2. If you become aware of the occurrence of any event referred to in clause 16.1 above, you will notify Eightcap immediately.

16.3. If any event referred to in Clause 16.1 takes place, Eightcap will, at its sole discretion and at your expense, be entitled, but not obliged to:

Eightcap makes no representation or warranty as to the results of dealing in the CFDs and will not be liable for any damage or loss suffered or incurred by you arising out of or in connection with any general advice, forecast, or opinion given to you in relation to price movements or Positions or to the likely profitability of any transaction.
- 17.5. These indemnities will survive any termination of the client relationship.

18. LIMITATION OF LIABILITY

- 18.1. You declare you have read, understood, and accepted all the terms and conditions outlined in this Client Agreement. You agree that when entering into a CFD transaction with Eightcap you are relying on your own judgment and, to the extent permitted by law, in the absence of gross negligence, fraud, or dishonesty by Eightcap or any of its employees, agents, and representatives in relation to Eightcap's activities as the holder of an AFSL, Eightcap will bear no responsibility or liability of any kind whatsoever with respect to any general advice given or views expressed to you, whether or not the general advice or views expressed was as a result of a request by you, nor will Eightcap be liable in any respect of any losses incurred by you resulting from dealing in any product or products offered by Eightcap.

- 18.3. Eightcap will bear no liability whatsoever in respect of any impact on you caused directly or indirectly by the issuance of any instructions by you or an Authorised Person to Eightcap.
- 18.4. In the absence of gross negligence, fraud, dishonesty, or misconduct by Eightcap or any of its employees, agents,

and representatives, and to the full extent of the law, Eightcap bears no responsibility or liability for any of your losses or damages whatsoever incurred as a result of any delay in transmitting or a failure to transmit funds caused by reasons outside the control of Eightcap or as a result of Eightcap's failure to execute orders in a timely manner or administer this Client Agreement in the manner contemplated by this Client Agreement for reasons beyond its control and, without limiting the indemnity in Clause 17, you indemnify and agree to keep Eightcap and its employees, agents, and representatives (for whom Eightcap acts as agent) indemnified and against all sums of money, actions, proceedings, suits, claims, demands, damages, costs, expenses, and other amounts whatsoever arising in respect of any such loss or damage. Reasons outside Eightcap's control may include, but are not limited to, exchange control or other government restrictions, exchange or market rulings, suspension of trading, power failure, telecommunication failure, strikes, or war.
